Insurers rely on the information you have provided to them to make their decision to offer you a policy with attached terms. You must always be honest and give accurate answers to questions asked when you take out the policy, make changes to the policy, or renew the policy.

- You must take all steps to prevent any loss, damage or injury and ensure the agreed protections for securing your property are maintained and working properly.
- You must tell us immediately if the occupation of your property changes, if any structural alterations or renovations are to be made, or if any details previously disclosed change at any time before, during and after the policy begins.
- You must notify us in the event of a claim as soon as possible and obtain a police crime reference number where the claim involves theft or any malicious act. You must co-operate fully with us and do not dispose of any damaged items without our approval.
- You must immediately inform us if your property is to be demolished or becomes subject to a compulsory purchase order.

When and how do I pay?

Payment is taken immediately when you purchase the policy. You can choose to pay by credit card or debit card and on an annual or monthly payment frequency. When you want to renew, a premium charge will be taken via our payment provider on the last working day before the renewal date. This premium charge may change if any changes to the policy have been made during the previous cover period. If this is the case, we will notify you prior to the payment being taken.

When does the cover start and end?

Coverage starts on the policy inception date and expires on the policy end date which are both specified in your policy schedule. The policy will renew automatically for the same time period unless you cancel it.

How do I cancel the contract?

Please visit the My Account area of Urban Jungle's website to cancel your policy.

Cancellation within 14 days of your first inception date – Cooling-off period

If you cancel your policy within 14 days from either the initial purchase date of the policy or the date you receive the policy schedule (whichever date is later), you will be entitled to receive a full refund of premiums paid, subject to you not having made a claim.

Cancellation after 14 days of your initial inception date

Our cover is designed to be flexible. That means that you can make changes easily and take your policy with you if you move home. If at any time the cover doesn't suit you, or you don't need it anymore, you can cancel your policy. Provided that you have not made any claims in that cover period, you will receive a pro-rata refund for any remaining whole months of cover. If your policy is paid monthly, the cancellation will take effect from the following month provided that you give us at least 4 days notice before the payment is taken.
